

§ 175.13

(1) Notices of public meetings shall be published in local newspapers of general circulation, posted at the utility office(s), and provided by such other means, if any, as determined by the Area Director. The notice shall provide: The date, time, and place of the scheduled meeting; a brief description of the action; the name, the address, and the telephone number for addressing comments and inquiries; and the period of time in which comments will be received. Notices shall be published and posted at least 15 days before the scheduled date of the meeting.

(2) Written and oral statements shall be received at the public meetings. The record of the public meeting shall remain open for the filing of written statements for five days following the meeting.

(c) After giving consideration to all written and oral statements, the Area Director shall make a decision about a rate adjustment. A notice of the Area Director's decision, the basis for the decision, and the adjusted rate schedule(s), if any, shall be published and posted in the same manner as the previous notices of public meetings.

(d) Rates shall remain in effect until further adjustments are approved by the Area Director pursuant to this part.

§ 175.13 Procedures for adjusting electric power rates to reflect changes in the cost of purchased power or energy.

Whenever the cost of purchased power or energy changes, the effect of the change on the cost of service shall be determined and the Area Director shall adjust the power rates accordingly. Rate adjustments due to the change in cost of purchased power or energy shall become effective upon the unilateral action of the Area Director and shall remain in effect until amended by the Area Director pursuant to this section. A notice of the rate adjustment, the basis for the adjustment, the rate schedule(s) shall be published and posted in the same manner as described in § 175.12(c) of this part. The Area Director's decision shall be final for the Department of the Interior.

25 CFR Ch. I (4–1–03 Edition)

Subpart C—Utility Service Administration

§ 175.20 Gratuities.

All employees of the utility are forbidden to accept from a customer any personal compensation or gratuity rendered related to employment by the utility.

§ 175.21 Discontinuance of service.

Failure of customer(s) to comply with utility requirements as set forth in this part and the operations manual may result in discontinuance of service. The procedure(s) for discontinuance of service shall be set forth in the operations manual.

§ 175.22 Requirements for receiving electrical service.

In addition to the other requirements of this part, the customer, in order to receive electrical service, shall enter into a written service agreement or special contract for electrical power services.

§ 175.23 Customer responsibilities.

The customer(s) of a utility subject to this part shall:

(a) Comply with the National Electrical Manufacturers Association Standards and/or the National Electrical Code of the National Board of Fire Underwriters for Electric Wiring and Apparatus as they apply to the installation and operation of customer-owned equipment;

(b) Be responsible for payment of all financial obligations resulting from receiving utility service;

(c) Comply with additional requirements as further defined in the operations manual;

(d) Not operate or handle the utility's facilities without the express permission of the utility;

(e) Not allow the unauthorized-use of electricity; and

(f) Not install or utilize equipment which will adversely affect the utility system or other customers of the utility.

§ 175.24 Utility responsibilities.

A utility subject to this part shall:

Bureau of Indian Affairs, Interior

§ 175.40

(a) Endeavor to provide safe and reliable energy to its customers. The specific types of service and limitations shall be further defined in the operations manual;

(b) Construct and operate facilities in accordance with accepted industry practice;

(c) Exercise reasonable care in protecting customer-owned equipment and property;

(d) Comply with additional requirements as further defined in the operations manual;

(e) Read meters or authorize the customer(s) to read meters at intervals prescribed in the operations manual, service agreement, or special contract, except in those situations where the meter cannot be read due to conditions described in the operations manual;

(f) Not operate or handle customer-owned equipment without the express permission of the customer, except to eliminate what, in the judgment of the utility, is an unsafe condition; and

(g) Not allow the unauthorized use of electricity.

Subpart D—Billing, Payments, and Collections

§ 175.30 Billing.

(a) *Metered customers.* The utility shall render bills at monthly intervals unless otherwise provided in special contracts. Bills shall be based on the applicable rate schedule(s). Unless otherwise determined, the amount of energy and/or power demand used by the customer shall be as determined from the register on the utility's meter at the customer's point of delivery. A reasonable estimate of the amount of energy and/or power demand may be made by the utility in the event a meter is found with the seal broken, the utility's meter fails, utility personnel are unable to obtain actual meter registrations, or as otherwise agreed by the customer and the utility. Estimates shall be based on the pattern of the customer's prior consumption, or on an estimate of the customer's electric load where no billing history exists.

(b) *Unmetered customers.* Bills shall be determined and rendered as provided in the customer's special contract.

(c) *Service fee billing.* The utility shall render service fee bills to the customer(s) as a special billing.

§ 175.31 Methods and terms of payment.

Payments shall be made in person or by mail to the utility's office designated in the operations manual. The utility may refuse, for cause, to accept personal checks for payment of bills.

§ 175.32 Collections.

The utility shall attempt collection on checks returned by the customer's bank due to insufficient funds or other cause. An administrative fee shall be charged for each collection action taken by the utility other than court proceedings. An unredeemed check shall cause the customer's account to become delinquent, which may be cause for discontinuance of service. Only legal tender, a cashier's check, or a money order shall be accepted by the utility to cover an unredeemed check and associated charges.

Subpart E—System Extensions and Upgrades

§ 175.40 Financing of extensions and upgrades.

(a) The utility may extend or upgrade its electric system to serve additional loads (new or increased loads).

(b) If funds are not available, but the construction would not be adverse to the interests of the utility, a customer may contract with the utility to finance all necessary construction.

(1) A customer may be allowed to furnish required material or equipment for an extension or upgrade or to install such items or to pay the utility for such installation. Any items furnished or construction performed by the customer shall comply with the applicable plans and specifications approved by the utility.

(2) The utility may arrange to refund all or part of a customer's payment of construction costs if additional customers are later served by the same extension or if the Area Director determines that the service will provide substantial economic benefits to the utility. All arrangements for refunds shall be stipulated in a special contract.
